1. How to turn on Auto Updates on iOS for the team on the run (TOTR) app

To set your iOS device to automatically update TOTR app, follow these simple steps:

1. Tap the **Settings** app icon on your Home Screen.
2. Tap your name at the top of the menu.
3. Scroll down the page and tap **iTunes & App Store** from the menu.
4. In the **Automatic Downloads** section, tap **App Updates** to the right. The button will turn green when activated.

Your TOTR app will now be automatically updated whenever an update is released on the App Store.
